

ClayWorks Guild Membership Form 2011-2012

Welcome to the ClayWorks Guild.

Please join us on the second Wednesday of each month, September through June, from 6:30-9 pm for our Guest Artist / Studio Visit Series or at our sales during the year. We welcome visitors and new members at all levels – beginning, emerging, advanced/professional, and re-entering.

Benefits of membership include the following:

- Programs covering various aspects of working with clay
- The opportunity to sell work at ClayWorks Guild sales
- Information about clay-related events throughout the region
- Fellowship and friendship with fellow potters/clay artists

Dues are \$25 Individual or \$35 Family paid annually in September.

- No dues are needed from new members *after* the participant deadline for the spring sale.
- The Guild is run on a volunteer basis. Members are responsible for helping with refreshments and clean-up at our meetings and are expected to volunteer to assist the sales coordinators with the tasks required to host a successful sale.
- Members must be in good standing to qualify for ClayWorks Guild sales, the Holiday Sale and the Duke Showcase in December and the Spring Sale in May.
- New members should reference the website <http://ncclayworks.org> for information on how to receive guild communications (Yahoo group/monthly newsletters).
